### "THE MARRIAGE REF" IS NOW CASTING"

Jerry Seinfeld, NBC, the Executive Producer of The Oprah Winfrey Show and the producers of "Super Nanny" now bring you...

"The Marriage Ref":

A comic, reality series where celebrities and a relationship referee help squabbling couples make peace. Created by Seinfeld himself, this is relationship advice... with a comic twist.

"The Marriage Ref" casting team is searching the country for outgoing and opinionated couples in long-term relationships, willing to appear on national television, who have a long standing argument or issue that must be resolved. No problem is too small!

\* Is there an object, a person, or a habit (e.g. computer, pet, a friend, the remote control) that is a third wheel in your relationship and causes a problem?

\* Does your partner have an annoying obnoxious habit or item that causes fights?

\* Does your partner do things like withhold sex after a fight?

Whether you argue about parenting, pets, fashion, money, in-laws, weight, housework, chores, communication, neatness, jealousy, past history, friends, sex... Whatever you argue about, we want to hear from you. Tell us why you absolutely NEED a MARRIAGE REF to weigh in and decide who is RIGHT and who is WRONG.

Couples across America ... we want to hear what absolutely makes you nuts when it comes to your partner! Tell us your beef and you might just get the chance to state your case on TV. Wouldn't it be great to settle the issue once and for all?!
